# Take the next step

Improve your work and pay

**Future Bright offer FREE career coaching, training and support to help you develop the skills and confidence you need to take your next step.**

**They have extended their support during this difficult time to include local residents who:**

- Have been made redundant or laid off
- Are at risk of redundancy
- Have had their hours significantly reduced, and therefore have a reduced income
- Are self-employed and whose income or ability to earn has been severely impacted
- Are furloughed employees, if their reduced income means they are eligible for Universal Credit

**They also offer support to all West of England residents who are:**

- Aged 19 and over
- Living in Bath & North East Somerset, Bristol and South Gloucestershire
- Receiving benefits or tax credits, or likely to start receiving Universal Credit
