

Coloured Pasta Necklace

You will need:

- Pasta
- Distilled Vinegar
- String
- Food Colouring
- Zip Lock Bags

1. Measure about two cups of pasta then put the pasta into a zip lock bag.

2. Mix 1/8 of a cup of vinegar with 20–30 drops of food colouring, stir & add mixture to pasta bag.

3. Shake well so the pasta is covered in colour, empty onto a tray & leave to dry. You can make more colours if you like.

4. Once dry, the pasta can be threaded onto string to create a necklace or just to enjoy threading!
