

## Autumn Leaf Crowns

Things you'll need:

- White card
- Glue
- Leaves

1. Cut a strip of white and measure it to your child's head.

2. Let your child glue the leaves to the crown however they choose to.

3. Once all the leaves are stuck on attach both sides of the card and the crown is ready to wear.

### Top Tip

Before starting this activity take your child on a 'leaf walk' to your local park and collect a bag of leaves or find some in your garden.

- Talk to your child about the change in season.
- Talk about the colours of the trees changing.
